Dear Ms. Brouillard,

**ViSiCAST (IST-1999-10500): Annual Project Review  
Additional Materials**

On behalf of Dr. Nick Lodge, co-ordinator of the ViSiCAST project, I sent the bulk of the materials for the Annual Project Review to arrive by Friday 15<sup>th</sup> September.

As we did not have the peer reviews for recent deliverables, Ms. Diane Whitehouse proposed that we should submit them with one week's delay.

I am now enclosing those Peer Reviews along with information about a website that would provide the Reviewers with additional information.

Yours sincerely,

Dr. J.R.W. Glauert  
Senior Lecturer
